

*We invite you to join us for an afternoon
of stimulating scientific discussion.*

Higuchi Biosciences Center Science Talks 2009

Friday, October 30th - 1:30 p.m. to 5:00 p.m.

The HBC Science Talks provides an opportunity to share your research, encourage and expand collaborations and create a forum for high-level scientific exchanges.

Speaker Session:

*Higuchi Biosciences Center
Simons Auditorium – West Campus
1:30 - 3:30 p.m.*

The speakers for this session will be:

 **Jane Aldrich**, Ph.D., Professor,
Department of Medicinal Chemistry
*“Peptide Kappa Opioid Receptor Ligands:
Pharmacological Tools and Potential for Drug
Development”*

 **Susan M. Lunte** Ph.D., Ralph N.
Adams Distinguished Professor of
Chemistry and Pharmaceutical Chemistry;
Director, Adams Institute for Bioanalytical
Chemistry
“Shrinking the Analytical Laboratory”

 **Thomas E. Prisinzano**, Ph.D.,
Associate Professor, Department of
Medicinal Chemistry
*“Discovery and Development of Neuroscience
Tools from Nature”*

Poster Session:

*Lied Center
Level Two
3:45 – 5:00 p.m.*

A Call for Posters

We invite you to exhibit your research findings at the poster session. Please feel free to use posters from recent conferences or symposia from the past year.

We will include an abstract of your poster presentation in a program book to be distributed to attendees. **Please submit your abstract by 5:00 p.m., Tuesday, October 27th**, to Susan Wakefield at swakefield@ku.edu.

For more information or any additional questions, please contact Susan at the above email address.

**Please join us for light refreshments on Level Two
of the Lied Center during the poster session.**
