

ACS
Chemistry for Life®

Wakarusa Valley Section

AMERICAN CHEMICAL SOCIETY

MIDWEST REGIONAL MEETING

SAVE THE DATE

OCTOBER 18-20, 2017

University of Kansas, Lawrence

Kansas Memorial Union

Featured Symposia

Theory / Spectroscopy / Materials Joint Symposium

Medicinal Chemistry of Drug Abuse Catalysts and Catalytic Technologies for Fuels, Chemicals, and the Environment

Starting companies in the Biotech Industry

Chemical Biology of Infectious Disease

From Molecules to Nanomaterials: Applications in Energy and Catalysis

Spectroscopy Applied to Structure, Dynamics, and Imaging

Theory of Interfaces

Organic Synthesis and Catalysis

Chemical Biology of Microbial Processes

Supramolecular Chemistry – Old and New

Analytical Applications of Microfluidics

General Sessions

Analytical

Biochemistry

Chemical Education

Inorganic

Materials

Organic/Medicinal Chemistry

Physical Chemistry

Poster Sessions

For More Information, see the Conference Website
